Summary

I'm a frontend developer with skills in HTML, CSS, JavaScript, and Bootstrap. I started my journey in 11th grade, learning through hands-on projects and self-study. I enjoy building clean, responsive, and user-friendly web applications. I've also achieved 100% accuracy in the Junior Grade Typewriting course, which helps me work faster and more efficiently. I'm always eager to learn new things and improve my skills in the ever-evolving tech world.
